Die Partner

Die Partner sind: ACOD, Automotive Agentur Niedersachsen, Circular Valley und Saaris, sowie die Fraunhofer Institute IKTS, IPT, ISI, FFB.

sente ventures

Hatcher+ and **Sente Ventures** are thrilled to announce the addition of startup **T-phite**, to our portfolio.

T-phite transforms tire waste from recycling plants into high-quality hard carbon for next-gen energy storage technologies, addressing electromobility demand, decarbonization, and industry traceability.

Visit https://t-phite.com to learn more.
